

OMG! WAS MY PROJECT PROPOSAL ACTUALLY IMPLEMENTED?

INKOMPASS

Discover a new way of interning

INTERNSHIP

– Starting from March 2017 in Munich-Gräfelfing –

Are you inquisitive and self-driven? Will you make a difference to our company and your colleagues around you? If the answer is yes, ja, oui or igen, then we'd like to hear from you!

INKOMPASS is a global initiative from Philip Morris International that offers an internship experience to those who would like to discover their potential. This is a 2-cycle internship program which enables students to discover themselves, their interests, strengths and areas of development through continuous feedback. The goal of the program is to prepare you for a fulfilling career, giving you a chance of receiving a job offer with Philip Morris International even before you graduate!

What we are offering

- an individualized internship program.
- having the opportunity to discover different aspects of our company (operations, people and culture) through meaningful assignments.
- to interact with people from different functions/departments.
- to learn portable business skills and a range of diverse experiences and disciplines.
- to experience opportunities for building an international business network.
- an above average compensation 1.400,- € per month.

Who we are looking for

- an excellent team player who enjoys working in an international environment.
- Bachelor students or graduates in their gap year between Bachelor & Master (Business & Economics).
- fluent in English (written and spoken).
- strong computer skills in Word, Excel & PowerPoint.
- learning on the fly and open-mindedness.

Our roadmap

- The recruitment process ends on November 22nd, 2016.
- The 1st-internship cycle starts on March 1st, 2017.
- After a break the 2nd internship cycle starts on March 1st, 2018.

Self-discovery is just the beginning. Discover PMI and find your true north!
