

# Discover your Opportunities at Allianz

## Intern/working student (m/f) in AVC Infrastructure

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 85 million private and corporate customers and more than 142,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers' trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

At the core of the Group's strength lies digitalization and its promise of growth opportunities through a 'digital by default' strategy. Allianz Managed Operations & Services (AMOS) is the principal driver behind transforming Allianz into a digital group – a quest to which nearly 7,500 AMOS employees around the globe have committed themselves. AMOS equips the Group with the most cutting edge digital solutions in the industry, bringing Allianz to the fingertips of its customers. At AMOS, innovation is more than a buzzword; it is the business of the day, every day.

### Your new duties and responsibilities

The Allianz Virtual Client (AVC) Program is responsible for the rollout and onboarding to new customers. AVC Factory is part of the Program and takes care of building up the infrastructure to run the virtual clients, building the client itself and Application Virtualisation.
