

Discover your Opportunities at Allianz

Intern (m/f) in Group Market Management & Distribution

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 85 million private and corporate customers and more than 142,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers' trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

Allianz SE is the global headquarters of the Allianz Group. Our employees reflect the Group's geographic and functional diversity. Located in Munich, Allianz SE provides the perfect opportunity to start or continue with your international career.

Your new duties and responsibilities

Group Market Management & Distribution, a unit of Allianz SE is responsible for supporting the local Allianz companies to build and protect the brand and to develop trusted relationship with our clients. Our team coordinates a number of global distribution and retail business activities that aim at improving the growth story of Allianz from different angles. We have a number of excellent opportunities for well-qualified, ambitious and motivated individuals that wish to develop their careers by gaining experience in strategy and business processes.

Key Responsibilities

As Intern (m/f) you will:

- Support the Retail Distribution & Strategic Partnership team
- Work on key topics such as digital marketing, digital touchpoint and change management
- Support international projects on a global scale
- Contribute to the development of concepts for multiple countries
- Conduct desk research and prepare presentations used on management level
- Daily support in project management and coordination
- Assess and provide critical feedback on analyses, concepts and surveys
- Support to ensure communication flow on projects within Allianz SE

Key Requirements/Skills/Experience

Qualification and skills

- Currently studying for a degree (minimum 3 semester) in business administration/economics or physics/mathematics
- Fluent in English, German is not required
- Knowledge of additional languages (e.g. French, Italian or Spanish) would be a plus
- Superior PowerPoint and solid Excel knowledge
- Digital Native – in depth practical experience of digital applications and tools

Experience:

- Adapt easily to a new working environment and team culture
- Open minded - willing to work with different function in various teams
- Relevant working experience through internship(s)
