

# Discover your Opportunities at Allianz

## Internship (m/f) in the field of Customer & Solution Management

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 85 million private and corporate customers and more than 142,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers' trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

At the core of the Group's strength lies digitalization and its promise of growth opportunities through a 'digital by default' strategy. Allianz Technology SE is the principal driver behind transforming Allianz into a digital group – a quest to which nearly 7,500 Allianz Technology SE employees around the globe have committed themselves. Allianz Technology SE equips the Group with the most cutting edge digital solutions in the industry, bringing Allianz to the fingertips of its customers. At Allianz Technology SE, innovation is more than a buzzword; it is the business of the day, every day.
